**Kerry Hansen will be representing the Wisconsin Quarter Horse Association as their All American Quarter Horse Congress Queen candidate.**

A Note from Kerry: I have been showing in Wisconsin since I was a small child and grew up with a passion for horses that my mom instilled in me. I have so much love for quarter horses and my home state of Wisconsin and am honored that I get to share that at the Congress this year. Please feel free to ask me anything about it when you see me and if you or your business would be interested in being a sponsor, we could talk about that as well! [Click Here to Email Kerry](#)
