Learn how with AQHA's online educational program

Level 1 accreditation can be a stepping stone to the process of becoming an American Quarter Association approved judge.

AQHA is offering educational materials for those who want to begin their AQHA judging career. The first step to becoming a full-carded AQHA judge can be through the Level 1 accreditation program. Level 1 judges are able to judge AQHA Level 1 and Rookie classes then, with experience, can progress to other types of accreditation, all-around, specialized or versatility ranch horse.

The Level 1 judge course and educational materials include:

AQHA judging materials are available through Blackboard, an online educational application for the course work. This online training replaces previously held judges seminars held in Nashville and Irving, Texas.

[Registration](#) is now open and the course cost is \$250, which gives access to content for an entire year. Once you have registered, log in at [aqha.blackboard.com](http://aqha.blackboard.com) and check out the materials, including practice tests. Potential Level 1 judges work at their own pace, ending their studies with a test that must be completed by **May 15**. The online version of the rulebook contains the most-updated version of the rules. Differences between rules published on AQHA's website and the print rulebook shall be governed by the official rules published on the website.

AQHA's Rulebook answers all your questions regarding AQHA rules, showing patterns, horse markings, equipment guidelines and more.

## **Guidelines for Writing Proposed Rule Changes**

Rule change proposals are accepted each year prior to AQHA Convention.

Download a [bylaw and rule change proposal form](#) (PDF) and e-mail to [rulechanges@aqha.org](mailto:rulechanges@aqha.org).

- Define the problem and develop as many possible solutions as you can by asking others for input.
- Choose one possible solution that appears to be the most appropriate and that fits the mission and goals of AQHA.
- Determine if any other rules would be affected if your proposal were to be adopted, and specify the rule numbers.
- Submit proper wording for a proposed rule change by typing or neatly printing the exact wording being proposed. If you propose changes to existing language, strike through the words you propose to delete. Type in bold and italics the words you propose to add.

Meritorious proposed rule changes submitted with sufficient documentation and specific explanations detailing reasons for the change will be assigned to the respective committee(s) and included on AQHA's website with an invitation for members to submit comments. Rule changes submitted without sufficient documentation and specific explanations detailing reasons for the change will not be assigned to a committee.

## **Find Your AQHA Level for 2018**

**Before you go show, use this online AQHA system to determine eligibility.**

When entering American Quarter Horse Association classes, AQHA exhibitors are required to provide proof of their level eligibility to show management. Exhibitors must

print their level eligibility to give to show management during the 2018 show season. Or save a copy to your phone and use it as proof all year long.

To determine level eligibility for 2018, visit [www.aqha.com/leveling](http://www.aqha.com/leveling) to access the Web-based [AQHA leveling verification system](#).

## How AQHA Levels Work

AQHA divisions – youth, amateur and open – are divided into levels.

- **Rookie**, *beginner to few accomplishments*
- **Level 1**, *minimally accomplished*
- **Level 2**, *moderately accomplished*
- **Level 3**, *most accomplished*

The levels are formulated from an objective handicapping system that assigns exhibitors and horses to competition levels.

Classes are leveled based on exhibitor or horse records. Level eligibility is based on points with AQHA, awards earned with AQHA and other equine associations, and money earned with other equine associations.

- **Classes leveled by exhibitor record:** youth, amateur, Select amateur and open halter and cattle classes. *Search for level eligibility for those classes by exhibitor membership ID.*
- **Classes leveled by horse record:** open division classes (excluding halter and cattle events). *Search by a horse's registration number to determine its eligibility.*

“AQHA levels are designed to group horses and riders with their peers of similar experience and points earned,” said Pete Kyle, AQHA chief show officer. “From the bottom up, leveling is designed to improve exhibitor experiences at AQHA shows and further American Quarter Horses as competitors.”

Visit [www.aqha.com/leveling](http://www.aqha.com/leveling) to use the [level verification system](#). The Web application will show you the levels you and your American Quarter Horse are eligible for in 2018.

If assistance is needed in verifying level eligibility, AQHA customer service representatives are available to help at 806-376-4811.

## Plan to Show in Level 1 Classes?

For exhibitors looking to compete in Level 1 amateur and youth classes, a [Level 1 eligibility application](#) must be filed each year. All Level 1 exhibitors need to complete the Level 1 application and return it to AQHA as soon as possible.

Previous Level 1 application information on file with AQHA may conflict with current eligibility, which would affect the eligibility being shown on the level verification system.
