A Letter from our 2020 WQHA president, Stephanie Lynn

Its finally time to throw back the barn doors, let the sunshine in, take your first ride outside and tackle the goals you set just a few short months ago. Maybe you did not set any goals before nestling into the long Wisconsin winter and are just now starting to think about the season ahead. Either way, spring energizes us and is the perfect time to ensure our actions align with our goals.

For those of us with horses, there is a never-ending to-do list and sometimes an even longer list of goals. Whether we want to paint the fence or get the hair off the yearling, barns are a breeding ground for goal setters. Horse people are notorious for starting early and staying late. Fearless in their efforts to succeed, undaunted by dirty jobs or long hours, they recognize above all, the merit in getting the job done, their passion the driving force in all they do. They show up with enthusiasm and dive into each job with energy to boot, infecting those around them with their zest for the horse.

WQHA members are fortunate to have an organized community to share their passion, to rely on in good times and bad and to pave the way for newcomers in the industry. Together WQHA members safeguard the industry and the opportunity for others to share the experience of riding, owning and showing horses.

There are many ways to give back to the membership and I encourage each of you to consider how you can raise your hand and volunteer. Whether at a horse show, on a committee or by sharing your experience and expertise, together we make a difference. If you see someone new at the shows, extend an invitation, make them feel welcome. As the 2020 season starts, I ask that you add one more goal to your list - share your passion with one new individual, bring them to a WQHA event and grow our community.

A Letter from our 2020 WQHYA president, Madison Spak

Throughout the 2020 show season, WQHYA members will be active at many of the approved shows and events. At the Midwest Horse Fair, youth members will be in attendance at the WQHA booth to answer questions, to hand out coloring pages to children and to kick off the annual Packer Raffle.

Youth members also have the opportunity to compete in events such as Speech, Judging, and Photography contests at the show. Contact our advisor, Nikki Schultz, for more information! The WQHA State Shows and Slot Classes will be held from September 3rd-7th in Madison. At this show, youth members will be drawing for the winner of the Packer Raffle! There will also be a root beer float sale during the show and a Silent Auction. Be sure to stop by!

Young Horse Developement Program

The Young Horse Developement Program offered through AQHA has 3 participants from Wisconsin.

Emma Fehlen, Ella Rice and Katelyn Kozak. Here is what Emma and Ella have to say
about their horses and expierence in the program so far!

2020 Participant Emma Fehlen

I decided to do the program for this year, and I knew from the start where I was going to purchase my horse for this year's program. I purchased my fill from the Raymond Sutton Ranch Production Sale. I have grown to love their horses and hope to keep giving them my business in the future, as they are amaing people and raise high quality, willing horses. Before I went to the sale, I had a catalog and there were two horses in the catalog that appealed to me. When I got to the sale I found a little red dun filly. I don't know what it was about her, but when I saw her, I knew that she was the horse I was bound to go home with that day, and she went. home with me, I purchased the dun filly, whose name is RWS Just A Runchata, but I call her "Chata". She is out of RWS Rios Margarita and Just A Silver Duck.

It was a huge challenge gaining her trust and it took a lot of patience, but it has been worth it in the logn run. This little filly has a bright future as she is so smart. The program so far this year has already been so rewarding, but also been mentally hard.

I have been determined to do well, and it would be amazing to place in the top ten of the program, but even if I don't, the real proze is the experience and lifelong memories. From the program I hope to gain better horsemanship skills, lifelong friendships, and am aiming for many doors to open up for me in the horse industry. This year I am planning on doing a lot of showing with her. After the program, I am hoping to hrain her as a working cow horse and teach her the basics to under saddle.

I am looking forward to seeing what we accomplish together during the program, and the years after. I can't wait to see what our future holds, and non of these amazing opportunities would be possible without AQHA and the Ranching Heritage Breeders. So, I would like to formally thank this amazing organization and everyone who makes these opportunities possible for youth in the horse industry. This program is truly an amazing, once in a lifetime experience for the AQHA youth, and I am thankful for this experience and this opportunity in the horse industry.

2019 Participant Ella Rice

2019 was my first year participating. The horse that I received is named Dawsons Drifter (Remi). He is a now 2 year old gelding, bred at Sunup Ranch in Minnesota. His sire is Zans Tyree Drifter and his dam is Tyrees Dawson Two. Since the day I received Remi, he has learned very fast and we progressed farther every day. I had such an amazing time training him, and communicating with the other participants about their horses. Remi's breeders, Greg Booth and Vickie Kettlewell are very kind and supportive people, I kept in touch with them throught the program and even visited their ranch in June. This program has helped me learn to keep records of training, healthcare and similiar info for my horses. My long term goals with Remi are to eventually qualify for the AQHA world and compete with him in ranch riding, trail, western pleasure, showmanship and halter. For now, I am looking forward to breaking him this coming may and getting him used to the show life while also being a steady

ranch horse. Something I found very rewarding was being able to look back on my older records of training and seeing my progress with him. The hard work and many hours I put into training him really paid off. From January to September I worked with Remi for 298 hours, and being able to realize how much time I put into him, and how well it paid off, was one of my favorite moments. I do get to keep Remi, after you participate in the program with your horse you are able to choose what to do with them from there. I'm very excited about our future together and so thanful for AQHA, Greq and Vickie and my parents for making this possible for me.

Bill Goggins Memorial Award Retirement

2018 was the final year to award the Bill Goggins Memorial Award. We will remember him again to announce the retirement of this award. Bill always said "the worst day that he had at a horse show was better than any day at his office." He was grateful to be learning to ride and pursuing his dream of showing horses, even though he did not start that adventure until he was in his 50's. Thank you to the Treptows for sponsoring this award all these years. We ask you to take a moment for the, the "Over the Hill Gang" and finding joy in the every day pursuits of life with our horses!

Hello! My name is Rachel Kruchten and I am 17 years old. Recently, I just started college at Black Hawk College East in Galva, Illinois. I love the college life, but most of all I love that I get to ride horses each and every day. It has always been my dream to ride in college, and being at Black Hawk, it is exactly what I get to do. I also get to see my own horse each day, Penelope. Penelope and I have been a team for the past four years now, and she is the horse that has truly changed me. She is a 13 year old mare, and we show in showmanship, western pleasure, horsemanship, trail and western riding. I have four other siblings, two sisters who show horses with me and two brothers who like to hunt, snowmobile, and go four-wheeling up north. My parents are amazing people who have let me achieve what I have in my life so far. I am so excited to be vice president of WQHYA for the second year in a row, and I wish everyone the best of luck this year. Most of all have fun and chase your dreams!

fax Bound-Secretary & Treasurer

Hil My name is Jax Bound. I am currently a junior attending Fort Atkinson High School. This is my second year serving on the WQHYA board as the Secretary/Treasurer. I was born and raised surrounded with American Quarter Horses and the WQHA. I embrace the opportunity to continue my involvement with such a great state affiliate and youth association. I currently compete in many different events ranging from Boxing to Working Hunter. I can also be found in the roping pen, roping calves and steers with my dad. I am very grateful for all the support the youth receive from WQHA/AQHA by the great people involved in those associations. I love to share my experiences with new members and show them why we are a great family to be a part of! I am very excited for not only my future but the future of my fellow WQHYA members. Together we will have a fun and exciting year and reach all our goals as one team.

Gary Rudolph Memorial Award

The Wisconsin Amateur Quarter Horse Association. is proud to present the Gary Rudolph Memorial Traveling trophy. Gary was a member of the WQHA--served on the Board of Directors --served on the State Show Committee and was an active member of the WAQHA. He could be found doing whatever task needed to be done to make the show and the Association a success. He will be remembered for being the gate man at many shows that had that great smile and kind word to all exhibitors. He loved his quarter horses and the many friends he made showing his home bred horses.

In loving memory

2019 Recipient: Sherri Albinger

2019 WOHA Presidents Award

Presented by the WQHA President, Stephanie Lynn.

The WQHA President's Award was created to provide recognition for extraordinary service to the Wisconsin Quarter Horse Association and personally honor exceptional individuals for their efforts and contributions to our membership. The 2019 WQHA President's Award recipient, Becky Ruehle, is unaccustomed to being in the spotlight. Quite the opposite, in fact, Becky continually shines the spotlight on others.

We all know Becky as a gifted photographer. But the work she does behind the scenes for the WQHA membership goes above and beyond that of a board member or committee member, and transcend the normal definition of excellence. Her contributions to WQHA extend far beyond the production of two publications. In all that Becky does, the focus is always on others. Her standard for excellence far exceeds that of the ordinary person and even while her business has grown keeping her on the road at shows across the country, Becky remains committed to WQHA. She is a role model for others, attends meetings, contributes continually to the betterment of our organization.

For these extraordinary actions, WQHA shines the spotlight on Becky. Congratulations and thank you for all you do Becky Ruehle.

BMQ BLACK DIAMOND

2019 WQHA Hall Of Fame Inductee

Lessons ~ Training ~ Coaching ~ Reiki Practitioner

Jennie Griese 920-450-3969

Riving Light Reiki

2020 Inductee **BMQ Black Diamond**

BMQ Black Diamond, affectionately known as Jimmy, was a 1987 black gelding by The Epitome and out of Aedo Anna Lea.

He was purchased at the Congress as a 3 year old Western Pleasure horse by Heather Swanson in 1991. Under the love, care and guidance of Jennie Griese Jimmy grew into an All Around Youth Horse. In 3 short years Heather and Jimmy earned 148 AQHA points in 7 events with 5 All Around Runner Ups and 10 Youth All arounds. They also earned numerous WQHA awards in horsemanship, equitation, trail, western riding, hunter under saddle and western pleasure. Then at the end of 1994 Heather was heading off to college. There were many folks asking about Jimmy but I was the lucky one and Jimmy came into my life! I only went to a couple of shows with him in 1994 but we earned our Amateur ROM. A major accomplishment for me but not for Jimmy.

1995 was our first full season as a team. I was coming off a couple years with horses that weren't so quiet. At first I was really nervous with Jimmy. When was he going to spook? Blow up? Be silly? By the end of that year I realized that wasn't going to happen! As I got to know Jimmy riding him was not just a joy but it was just plain fun. Jimmy had the ability to make me look good, way better than I was! Jennie and I would often say he can "make you feel like a million bucks". And he did.

But we also worked hard. Stoneybridge was my home away from home. Jimmy and I spent many hours there. Taking lessons, practicing on weekends with 2 of my best friends, Janet Stevens and Adam Mueller. And, of course, the many group lessons. Jimmy and Jennie helped us earn multiple WQHA All around awards as well as Superiors in Showmanship, horsemanship, pleasure, western riding, trail and Superior All Around Championship. The years went by as years do. I'd sometimes ask Jennie if it was time for a new horse? A new challenge? We'd talk and go "nah". He was just too much fun to ride and show. Jimmy never stopped learning or improving but more than that he never stopped loving his job! But as life goes on so did Jimmy's and I finally realized that while he didn't need to completely retire it was time for him to slow down. So, for his last 2 years as a show horse he took care of Novice Amateur Lucy Clancy. Jimmy and Lucy did well together and made me proud. But the time came for Jimmy to actually retire.

Jimmy spent his last 2 years at my house with his horsey friends until his death at age 27. Not a day goes by that I don't miss that boy! His lope, his kindness, his calm quiet nature. He was truly a once in a lifetime horse and one I was blessed to have in my life.

Thank You Jimmy.

-Terry Johnson

Kathy Doyle was born to be a horsewoman, and has lived a life in service *to them* as a result. Little Kathy Kirchhoff got her first horse when she was only 12 months old. A gift from her grandmother, that hairy pony was not only a constant companion, it led her into a life dominated by a passion for horses. She was so serious, her parents had to install *extra locks* on the top of their doors so Kathy couldn't reach them to sneak across the street *in the middle of the night* to go see HER PONY.

Kathy quickly moved on to showing "high tail" horses, the Saddlebreds and Hackneys. As a teen, despite having a broken leg, she won *the International* with a fine harness Hackney pony by the name of "Miss X." By 1970, Kathy showed her style and grace as the first *ever* rodeo Queen named by the Knights of Columbus in Fond du Lac.

She has been the backbone of a successful Quarter Horse operation with her husband Ron Doyle, which has churned out dozens of champions on all levels, including several world champion halter horses. Kathy has been the one "behind the scenes."

Kathy Doyle has served the Wisconsin Quarter Horse community for decades. For two years, she was Director of WQHA District Four. Then, from 1993-2012, Kathy was a regional Vice President. Beginning in 2012, she served three years as WQHA President. And since 1992, she has been a chairwoman of show coordination, working in the background to negotiate contracts to make the competitions happen, plus securing the necessary insurance protection for the shows and the board of directors of the Wisconsin Quarter Horse Association.

For *18 years* Kathy led the Stallion Service Auction- which at the time, was the largest money maker for the WQHA. And Kathy has done all of this while holding down a demanding job, as a business development director for ADVOCAP, creating opportunities for impoverished people.

Congratulations Kathy Doyle!

2020 Inductee- Jane Bound

It's pretty astonishing to look out into a room of this size and realize everyone has a story to tell about her. Jane Bound never met a stranger. Within the first 5 minutes of meeting her, she would have already asked the 5w's; where are you from, who do you ride with, what do you show in, when did you start, but never the why. She like all of us, always knew the why. The love of the sport and the horse show family that surrounds us. Jane was literally born into the WQHA. Her father Art Scheppert was one of the founding members of the association. Jane must have always known she would leave an impact, but in what capacity no one could ever have imagined. She had a love, as we all do, for horses, all kinds of horses. But where a lot of us differ from her is she had a love of people and their stories. Her mother owned and ran a small western store as Jane grew up. After high school Jane went to cosmetology school and opened her own very successful hair salon. We believe that's where she really honed in on her people skills and the gift of gab. As time went on and probably out of necessity for Jack's growing training business, the wash bowls were replaced by saddles and grooming supplies and JB Tack Shop was born. If you have never been to the store, which is hard to believe, it was floor to ceiling with every grooming, training, showing item you ever needed, thought you needed, or never knew you needed. In a time before online shopping, Jane stocked every style, size and color of boot, blanket, hat and yes even those high fashion Rockies that were all the rage. Jane would make the annual pilgrimage to the Denver market, (many times with Pat Miller) to make sure the store was stocked with the latest fashion. In the 80's and early 90's if you saw it in a magazine, JB Tack Shop either had it, sold it, or could order it. Jane had a great eye for current trends and many a new exhibitor stepped into the show ring looking like a seasoned pro thanks to her. The business swelled to 2 fully dedicated tack trailers along with the always stocked store. There were no real business hours, if you were in the area and stopped by she was open. Family knew that when the doorbell rang in the house to get the shop keys and turn the lights on, no matter the day or time. Her full attention to the shop meant that if someone needed something she was there for them. It was that great customer service that kept bringing people back. Jane epitomized the saying, do what you love and you will never work a day in your life. She truly loved horse shows and the people involved with them. You could always find her trailers parked along the show ring, she would say for convenience for customers, but ultimately it was so she could watch everyone show. As exhibitors passed it was always "How'd you do?" Crazy thing was she genuinely wanted to know and was happy for everyone, even if they were showing against Jack! That was the amazing thing about Jane, she wanted those in her circle to win. To most people that would seem to be a select few, but she touched so many of us that there was no boundary to her circle! From the weekend 4-h show, to the different breed shows and up to the World Shows she wanted everyone to be successful. She stood by Jack as he was graced with this induction years ago, proud as could be. I'm sure she would be a little shocked with this honor bestowed upon herself, as she never really realized the impact she had on our industry. She just loved meeting and talking with people. Jane was like a one woman Welcoming Committee to the WQHA! The Bound family thanks you for this great honor and only hopes to continue in the legacy she has left.

2020 WQHA SHOW & CONTEST - RULES & REQUIREMENTS

- 1. It is understood that all shows requesting approval of the Wisconsin Quarter Horse Association must be approved by the American Quarter Horse Association. However, a show may apply for WQHA approval before receiving AQHA approval by marking the show application "AQHA approval pending." (NOTE: In order to obtain AQHA approval, an "Application for Approval" form, properly completed, shall be forwarded to the Secretary of the AQHA Association at least ninety (90) days prior to the first date of the proposed show or contest. Such blank forms and other information may be obtained from the American Quarter Horse Association, Amarillo, Texas 79168).
- 2. Applications for show approval must be filed with the Show Coordinator by March 1 of the approval year. Applications can consist of either oral or written intentions to hold said shows. Every show must send a representative to the Show Coordination seminar that is held before the start of the show season, or at the discretion of the WQHA board, the shows may be refused approval. All WQHA approved shows will use the approved computer program and back number system. The WQHA will have a 55-show limit for approvals and will limit and discourage the approval of shows being held on weekdays. No current year shows will be held after the last weekend in October. WQHA approved shows may either obtain insurance thru the WQHA insurance provider, or if they choose to use a different carrier provide the WQHA with a Certificate of Liability Insurance.
- **3.** A show flyer for printing in the Newsletter should be sent to the WQHA Newsletter Coordinator by due date. If not received by then, neither the Newsletter Editor, nor the WQHA can be held responsible if the show information does not reach the exhibitors on time. Show management agrees to pay the Newsletters fee for printing a flyer, payment must accompany flyer. Shows run on consecutive days with identical show programs may submit one flyer only and will be charged for printing just one flyer. This does not apply to the same management running shows on different weekends throughout the year.
- **4.** No show will start later than 15 minutes after published starting time. If the starting time is more than 15 minutes later without a valid reason, as determined by the WQHA Board of Directors, show approval for the following year may be withheld.
- **5**. At a show there is to be no longeing in the designated show area and make up arena during show hours, this includes all breaks. Show management may make changes because of weather.
- **6.** At a show there is to be no ponying of horses in the designated show area or makeup arena during show hours, this includes all breaks.
- **7.** If working hunter classes are offered at a show, a scheduled practice time for working hunters only will be provided. No riders on the flat or longeing will be allowed in the pen during this time. There will be no jumping practice during open practice sessions when the pen is open for riders on the flat and people longeing.
- **8.** If pleasure driving is offered at the show, a scheduled warm-up and practice time will be made available for driving horses only. No riders or longeing will be allowed in the arena or pen during the pleasure driving warm-up.
- **9.** All exhibitors and horses must be clear of arenas and pens before tractors and arena maintenance equipment can proceed with work.
- **10.** There is no required order for halter classes.

- 11. All WQHA required classes and optional classes selected must be judged, laid out and operated in accordance with WQHA requirements. The AQHA approved classes must be run according to the rules set forth in the latest edition of the Show and Contest Rules and Regulations of the American Quarter Horse Association. All classes must be on the published show bill to be recognized for WQHA year end points. All WQHA approved classes are eligible as point classes for yearend WQHA awards, providing they are offered under 10 judges.
- **12.** Each WQHA approved horse show will submit a fee in the amount of \$1.00 (one dollar) per horse show entry to the WQHA, payable within 15 days of the end of the show. This fee is incorporated into the WQHA yearend awards program.
- 13. Show results and fees received after the 15 day limit but before the 30 days will result in the forfeiture of show date preference for the following year. Failure to forward show results and fees after 30 days will result in not approving the show in succeeding years, at the discretion of the Board of Directors. Shows found in violation of this rule will be granted approval only with the estimated total \$1.00 fee paid in advance by March 1 of the approval year. An estimate will be derived from an average of previous year's charges.
- **14.** Sale dates reserved with the WQHA will require a \$25.00 non-refundable fee, payable to the WQHA and forwarded to the Show Coordinator. A full page ad regarding the sale must be published in the Newsletter in order that the date be reserved by the WQHA. Sale Management agrees to pay the Newsletter fee for the full-page ad. No WQHA approved show will be run to conflict with a sale date reserved in this manner.
- **15.** No more than one show or sale will be approved for one date by the WQHA. WQHA shows and sales approved the previous year will have priority over other shows applying for approval, provided they met all WQHA rules the previous year and meet the current show approval policies of the WQHA.
- **16.** It is suggested that judges be from out of state. It is recommended that judges not be from a neighboring state. It is also required that they judge no more than one Wisconsin show per year. In the event of a show emergency, this rule may be waived to accommodate substitute judges.
- 17. All shows requesting approval must do so with the Show Coordinator by March 1 of the approval year; shows requested after March 1 of the approval year will be considered for the following year's approval with no exceptions. The show calendar will be prepared for publication in the Spring Newsletter.
- **18.** Hardship Clause: Because in any given situation there might arise extenuating circumstances which might be cause to except one or more of these rules in order to grant approval of a show, the committee reserves the right to do so in cases that do not in any manner conflict with the purposes, policies and intent of the WQHA.
- **19.** Suggestions for show grounds, facilities, and class schedules are supplied in the AQHA Show Manager's Guide. New shows applying for WQHA approval may be subject to inspection of same, prior to final approval. Inspection will be conducted by a person(s) appointed by the WQHA Show Coordination Committee.
- **20.** <u>Halter and Performance Classes</u> are point classes for year-end WQHA awards, providing they are offered under 10 judges during the current year at approved shows. At the option of each show and where allowed by AQHA rules performance classes may be offered as Junior and Senior

divisions and eligible for WQHA year-end awards providing they are offered under 10 judges during the current year at approved shows,

- 21. Year-end awards are to be presented to the high point horse in each WQHA approved performance and halter class with a suitable award to the second (reserve) high point in each WQHA approved class. Any first or second place horse that was not shown to at least 10 judges and earned at least 20 WQHA points in that class during the current year at approved shows will receive a lesser year end award.
- 21A. At show management's option, any number of classes from the full slate of Amateur performance classes may also be offered as Amateur Select ages 50 and over. Management will combine these classes back to an all-age class should there be fewer than 3 entries in the Amateur Select or Amateur Class. In the event a class offered on the show bill as amateur select and amateur are combined at the show, WQHA points will be awarded to the respective age group. Jumping and Team Penning may only be offered as all-age classes. If the Select Amateur contestant neglects to designate on the official WQHA Show Entry Form indicating which division they will be competing for WQHA year end all around, the points chair will post points to Amateur or Amateur Select according to the exhibitor's age. These points stand once posted.

Any of the Amateur Performance AQHA approved classes may also be offered at the show management's discretion in the Amateur Select, Novice Amateur and Rookie divisions. The WQHA suggests shows offer classes in these divisions. In the Amateur Halter events, shows may offer the halter classes as Yearlings, 2 year olds, 3 year olds, Aged, and Performance. In the Amateur Division, halter classes will be offered for Stallions, Mares, and Geldings.

21B. In the event a Youth Activity Performance class offered on the show bill as 13 & under and 14-18 are combined at the show, WQHA points will be awarded to the respective age group.

Any of the Youth Performance AQHA approved classes may also be offered at the show management's discretion in the Novice Youth and Rookie divisions. The WQHA suggests shows offer classes in these divisions. In the Youth Halter events, shows may offer the classes as Yearlings, 2 year olds, 3 year olds, Aged, and Performance. In the Youth Division, halter classes will be offered for Mares, and Geldings. Age group limits in Youth Activity events may be set by the show management. In no case, however, shall any contestant be more than 18 years of age. For horse show purposes, the age of an individual on January 1 of that year shall be maintained throughout the entire year. (Example: A youngster who has a birthday in July and is 18 years of age on January 1, 2017 may show throughout the entire year of 2017 as an 18 year old). Youth classes may be offered as 18 & under, or 13 & under and 14 -18.

- 22. SMALL FRY 10 and Under: The following listed Small Fry classes are suggested classes.
 - a. Small Fry Showmanship
 - b. Small Fry Trail
 - c. Small Fry Western Pleasure
 - d. Small Fry Western Horsemanship
 - e. Small Fry Hunter Under Saddle
 - f. Small Fry Equitation

The WQHA suggests shows offer classes in the Small Fry division. Rules of ownership for the Small Fry division are the same as any other youth showing in the AQHA approved youth classes. Small Fry classes are point classes for year-end WQHA awards, providing they are offered under 10 judges during

the current year at approved shows. Year-end awards are to be presented to the high point horse/rider combination in each WQHA approved Small Fry class with a suitable award to the second (reserve) high point in each WQHA approved class. Any first or second place horse that was not shown to at least 10 judges and earned at least 20 WQHA points in that class during the current year at approved shows will receive a lesser year end award.

Riders may also show in AQHA halter or showmanship classes, but not any class in which the canter or lope is required.

- 23. Lead Line ages 7 and under: Riders must control the horse at the walk, and back if asked. Handlers are there for safety, lead line handlers should be 18 years of age or older. Halters should be placed under the bridle, handlers are expected to maintain control of their horses at all times. Riders are not required to own their mount to qualify for participation awards. This is not a WQHA approved class—awards are presented if an individual or, group is willing to defray the cost.
- **24.** Entries are submitted per show(s) i.e. single, split combined, or multiple judged. Exhibitors have the option to enter all of their classes for the circuit in advance. Entries are to be made at the show office or in some instances pre-entries via the internet may be offered. All scratches must be made at the show office. Failure to scratch at the show office prior to the start of a class will make the exhibitor liable for the entry fee(s).
- 25. ELIGIBILITY FOR WQHA POINTS AND AWARDS: In order to be eligible to acquire WQHA points, monies or awards, both the owner(s) and exhibitor must be members in good standing of the Association.
