

May 2024 Meeting Notes:

A couple of Key take aways-

1. We will supply deserts for Saturday night of Paper valley show during the youths brat fry. Please bring a dessert to pass/ share.
2. Reminder that we need volunteers still- we will be doing a different sign up system and a different ways of keeping track of the hours for year end awards.
3. Sunday night at 6pm at the lazy day show we will be having another meeting by the show office up front by the ring.

As well i know some people are having a hard time opening up the notes as they are in word-so i will just start to copy and past them into the emails to make it easy for everyone to read on the go!

Thank you- Happy Show Season!
